

Equip Care Ministries

Crisis Intervention

Care & Compassion

Higher Education

Community Aid

Equip is founded as a religious non-profit organization to perform charitable work through providing programs organized exclusively for 501(c)(3) Charitable purposes that meets the need of:

People, with programs designed for crisis intervention;

Community, specifically the youth, elderly, and first responders; and

Organizations, by fostering multi-purposed regional collaboration.

We teach, train, supervise, proclaim, empower, and also hold the capability to license, ordain, and supervise others to do likewise.

Ephesians 4:11-13

And He has appointed some... with Grace Ministries to nurture and prepare others to build up the body of Christ. These grace ministries will function until we all attain oneness in the faith.

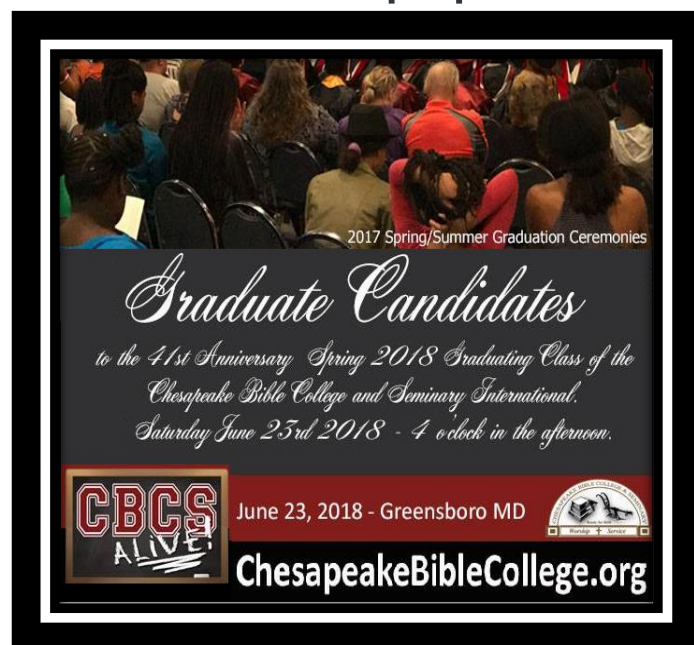

A **Ministry** of Compassion to all

MEETING NEED AT THE PRACTICAL POINT

Equip has partnered with other empowering organizations locally, nationally, and internationally including The American Evangelistic Association and The Chesapeake Bible College and Seminary to bring leading edge services to the point of need.

We seek your support as well for the bold challenges before us! Equip provides excellence in care as we aim to be a far-reaching, deeply-impacting, leader-of-choice in the New England region.

We offer Biblical Training, Care Ministry, and Crisis Interventions as we strive to make a difference amidst today's challenging cultural settings.

Community Service | Equip **ser>eteam**

WHAT IS SERVOLUTION?

It is not just an event; it is a revolution formed through serving. As we begin opening our hearts, hands, and time to serve, not only are we part of changing the lives of others, but we are also subject to the changing of our own lives.

A beautiful perspective is found when we take the time to actually see the world through God's eyes. When we stop to actually look around us and ask ourselves "How can I serve someone today?" we find ourselves being transformed by the idea of living beyond ourselves.

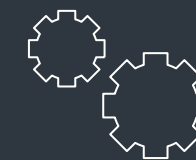

... Did You Know?

1 in 6 Americans don't have access to enough food. More than 50 million Americans don't have dependable, consistent resources of healthy and nutritious foods.

Equip Community Care has partnered with the United Way, The Salvation Army, and local congregations to make a difference at local feeding programs.

Hunger is not just an issue for the homeless or those struggling with work.
