

Enhancing Life in the Spirit – Deepening an Understanding of the Faith Community Enrichment for Today's Effective Leader

EQUIP | EQ=Emotional Intelligence for Ministry Leaders

Spiritual Care Conference Series provided by Equip Care Ministries

This session will introduce Emotional Intelligence and how it greatly impacts one's progress for ongoing growth and development. As believers, God desires for us to continually be growing and advancing into Christ-likeness, a foundational goal for Christ-centered servant leaders. One's ability to understand, recognize, and identify emotions in self and other will increase awareness toward positive behaviors and outcomes in our relationships.

EQUIP | Resiliency & Self-Care Plans for First Response Teams

Spiritual Care Conference Series provided by Equip Care Ministries

For thousands of emergency responders, saving lives is more than a job—it's a vocation that drives them. While one's work in first-response is rewarding and beneficial, there are many ways that exposure to repeated crises and trauma can lead to unhealthy outcomes. Join us for a session that evaluates Compassion Fatigue and advocates for self-care management that provides ongoing attention to care responsibly for self and others.
