VISION | MISSIONS Campaign

Uniquely Bringing Hope and Care to the Practical Point of Need

Equip challenges the status quo in collaboration toward transformational life change holistically in Spirit | soul | body. We offer unique and creative programs that empower Spiritual care, Biblical training, and leadership development to those we lead and serve. Among the Body of Christ, many are realizing that doing ministry has significantly changed from that of yester-year. Fostering legacy and equipping resiliency is Equip's vision across three areas of impact: Reach our Communities | Deliver Educational Advancement to Next-Gen Leaders | Provide Pastoral Care and Intervention to those in need.

Ephesians 5:16 "Take full advantage of every day as you spend your life for His purposes."

The Passion Translation

Our care focus hosts an unshakable commitment to providing life-giving, innovative, and strategic resources. We engage relationally with relevant, timely, and sustainable solutions that build resilience and vitality over time. While simple, our goal is to meet the basic need of others through love, hope, and well-being which are the staples of everyday life.

Vision — Sustainable Leadership

Two vital areas of growth and focus have prompted great advancement into our legacy initiatives that propel the cause for Christ: "Empowerment for Leaders to Endure and Sustain" and "Fostering Partnerships in Team-Based/ Collaborative Affiliations." No longer should any organization's internal success be dependent upon a few empowered leaders at the top. Through unity of mission and strategic collaboration, Equip aids many in providing Spiritual care, formation, and creative Biblical training that empowers sustainability for next generation leadership. In collaboration with others locally, regionally, and nationally, Equip is propelling our vision.

Online Bible Education — A Way of the Future

In partnership with Chesapeake Bible College and Seminary, Equip Academy was founded to serve as the Spiritual Enrichment and Academic Development arm that assists pastors, leaders, teams, and students toward achieving higher, Biblical, and accredited education needed for tomorrow's Christian leaders.

Spiritual Advising in academic development provides mentorship, supervision, and biblical guidance for Christian leaders of tomorrow. We empower the local church with Distance Learning Centers that advance God's plan and purposes among their strategic areas of influence.
