

Anthony Iannicelli
Equip Services, Inc.

Anthony Iannicelli has been a member of the Board and a Trustee of Equip Services, Inc. early after its initial founding. Having been a licensed minister with the Assemblies of God, Anthony is dedicated to advancing the goals of not just Equip but the expansion of God's kingdom through the work of the local church throughout New England. Anthony truly believes the Scripture, "And I tell you, you are Peter, and on this rock I will build my church, and the gates of hell shall not prevail against it" (Matthew 16:18, ESV). The community of believers holds an integral part in finishing God's work on Earth.

Anthony Iannicelli holds a degree in Biblical Studies from Northpoint Bible College and a Master of Divinity degree from Gordon-Conwell Theological Seminary with an emphasis in leadership and apologetic studies. Anthony has been deeply committed to serving in many churches with a specific emphasis in church plants and other new community based initiatives. While New England holds a historic place in the United States in the growth of Christianity, Anthony believes new organizations can also strengthen the local church. Equip is one of those organizations meant to "make disciples of all nations, baptizing them ... teaching them to observe all that I have commanded you (Matthew 28:19-20).

Anthony currently works in corporate account acquisition management and is currently married and lives in Natick, Massachusetts with his wife Sandy and his new baby girl, Angeline.
