Our History | A Culture of Care

Matthew 25:40

Together, liked-minded Christians united as they convened at open gatherings to create an interfaith place of hospitality, worship, care and support of others. Through these gatherings, many shared in the Christian love of the Gospel message through the Word of God, in fellowship toward the common good, and by instilling and adhering to compassion for all.

In 2016, a mission became apparent and evolved into a strategic vision with advanced goals for U.S. Missions outreach, worship, proclamation, teaching, education, and enrichment – aiding local, regional, and national churches, organizations, and the community at large. This intentionally-gauged Christian mission has creatively and uniquely flourished in vision to reach those in need, equip and empower many, and align with organizations and peoples in bringing love, hope, resiliency, care, and sustainability.

Equip boldly formed in vision to meet the need in Church Leadership, Spiritual Care, Biblical Education, Community, and across the general marketplace in Crisis Intervention. The goal was to bring a leading-edge, culture of care to the practical point of need. Here our U.S. mission took shape to provide a more formalized, centrally-operated, and strategically-guided Christian-based organization, advancing the love, care, and Gospel message of Jesus.

Dr. Iannicelli has been in covenant with God to crystallize this Commission. Since accepting Jesus Christ as her Lord and Savior, she has pursued the mandate of God to seek and save souls not only through the preaching of the Gospel, but also in the caring for the needs of others in continuance of her greatest decision to first choose Christ and to pursue a clear Call from God.

In doing so, Equip's mission is to bring a transforming message, a passion for care, and God's love to people in need. Through a holistic, out-of-the-box ministry, we offer a focus on wholeness of mind (soul), body, and Spirit to minister to the whole person both inside (as Pastor) and outside the church walls (as Chaplain). Here, Equip offers a creative model for 21st century ministry where partnering with God's directives through love, care, and wholeness is the mandate. With compassion as its thrust and the love of Christ as its reason, Equip Services, Inc. aims to impact the lives of many.
