A CULTURE OF CARE

FOR THE JOURNEY OF LIFE

## Be Transformed by the Word of God

**LIFE NOW!** A greater understanding is revealed when one's path and purpose with God is discovered. We aim to come alongside others to help them navigate who they are in Christ. We listen, provide practical resources, and pursue an active approach to equipping others to be the best they can be.

Equip is revolutionizing care in the church . . . in Biblical education . . . and in the community so that the world will more easily find and know Jesus.

**LIFE REAL!** Fostering deeper relationships with God, one another, and self is possible as we aim to overcome circumstance. Our goal is that you discover relevant ways to solve life's problems as we learn to love and lean on God for every need.

## No one walks alone

**LIFE NEW!** By faith, God's power can transform us well beyond life's current circumstance to life anew! We desire that every person, from all walks of life would flourish in all that they were designed to be and do.

Journeying together, we explore ways in which one can expand and advance in God's authentic design for one's life.

Equip offers uniquely different and effective ways to serve beyond the walls of any building as we face changing times. The necessity for being “an outward reach” as a relevant and present-day Church is vital, especially since Jesus himself “went” to many.

We’re excited that you would consider being a part of this exciting journey with us.

We remain steadfast to boldly excel and propel in the quality and quantity of unique ways in which we minister across Equip Church : Equip Academy : and Equip Care.
